

## INTENT TO ENROLL AT EAST STROUDSBURG UNIVERSITY

East Stroudsburg University of Pennsylvania (ESU) and Lehigh-Carbon Community College (LCCC) have entered into an agreement in order to facilitate the transfer of students from LCCC into ESU, and to support their academic success in baccalaureate degree programs. This specific agreement is applicable for students who have completed an Associate in Applied Science degree in Special Education at LCCC and who wish to transfer into the Department of Special Education and Rehabilitation at ESU. Under the terms of this agreement, students completing their AAS in Special Education will be admitted to the Bachelor of Science with a Special Education major – Instructional I certificate program at East Stroudsburg University on the condition that they complete the requirements specified in the program-to-program articulation agreement between East Stroudsburg University of Pennsylvania and Lehigh-Carbon Community College.

I am currently enrolled at Lehigh-Carbon Community College in the Associate in Applied Science degree program in Education. I intend to enroll at East Stroudsburg University as a Special Education major following graduation from Lehigh-Carbon Community College. I will have completed a minimum of 30 credits at the end of this semester. I agree to the following terms:

- Graduate from this program with a minimum QPA as follows:  
For Fall 2002 ESU admission = 2.80  
For Fall 2003 ESU admission = 3.00
- Enroll at East Stroudsburg University within one year of LCCC graduation
- Not attend another institution of higher education between the time I graduate from LCCC and enroll at ESU
- Satisfy all other regular East Stroudsburg University admission requirements.

I have read and understand the above statement, and have discussed my educational options with my Lehigh-Carbon advisor.
