### What They're Saying . .

"Jackie has so many skills, it is hard to focus on any one of them. Her biggest asset is toughness. She never takes a play off - it is no surprise she is the all-time leading scorer in ESU history - despite all the great players they have had there!!"

**Deirdre Kane, head coach, West Chester University**

"Jackie is one of those players that just gives you fits as the opposing coach. She has the ability to put the ball on the floor and get to the basket, shoot the three, or post up and score on the block. She is absolutely hard to guard, and on top of that she has a winners mentality. She never quits! She raises the play of her teammates to another level!"

**Kristy Trn, head coach, Shippensburg University**
