

VIEWING STUDENT MIDTERM GRADES

Semester midterm grades are available on your myESU portal. Midterm grades act as a progress check for students to demonstrate how you are performing in your courses by the middle of the semester.

To view your midterm grades:

- Log on to the myESU portal
- Go to the Students Tab
- Select the drop down box in the Student Grade portlet and click on the current semester.

*NOTE: Graduate students do not receive midterm grades.
